

DEPUTY CONSTABLES (FORMERLY LIEUTENANTS) OF DOVER CASTLE

This list was originally compiled by Brigadier Sir Hereward Wake, Deputy Constable (1929-32) and updated since. There are no records from 1828 to 1868. The numbering convention is carried forward from the original, with the result that the individual re-appointed on the accession of a new monarch appears twice in the numbering sequence.

No.	Reign / Year Appointed	Name
-----	------------------------	------
